Treasurer's Report: Sandy Specht gave the financial reports. June is a month to pay the lenders. The taxes went up about \$70. There is only \$48,000 left on the property loan. Financials were approved unanimously.

Secretary/Grant Writing Chairman: The April 2021 minutes were approved as written. It was approved to put list of volunteers on the website.

Chairman's Report: The TUP (Temporary Use Permit) has been approved for putting on yard sales and other DMCO events. A large donation of aluminum cans was received and brought to the recycle center. Aluminum cans are still being accepted. Put them in the little shed/room at the back of the garage. We are also accepting donation to the Warehouse but not mattresses, stuffed furniture, clothing or broken items.

Fundraiser: It was mentioned that the E Path lot is still for sale. Update on Cookbook sales; we have paid for the Cookbooks; every one we sell is profit now. Yard sales and bake sales are going good. There was a mention of selling chicken. That issue was tabled.
